The Convocation ceremony (the calling together of the academic assembly) has its roots in university traditions of medieval Europe.

## *The Mace*

The mace is a staff symbolizing authority. In the days of knighthood, it was a weapon, but after the 16th century it became solely a symbol of authority carried by a distinguished member of an assembly. It is used on ceremonial occasions to signify the right of an individual or institution to perform a certain function—in the case of universities, to grant degrees.

At Convocation, the mace is carried ahead of the Chancellor as he enters and leaves each ceremony. During the ceremony the mace is displayed on a special stand as an embodiment of the authority of the University.

Carleton's mace was presented to the University in 1976 as a gift from the Chair of the Board of Governors at that time, Mr. Hyman Soloway. It is a silver-plated staff approximately three feet long. At the upper end there is a bowl marked with the University's coat of arms and the University motto in both Latin and English—"Opera Nobis Aeterna" and "Ours the Task Eternal." From the upper portion of the bowl rises a phoenix. Traditional oak leaves surround the lower end of the staff.

## *Coat of Arms*

The coat of arms was presented to the University by His Excellency The Right Honourable Ramon John Hnatyshyn, Governor General of Canada, on November 15, 1992, as part of Carleton's 50th anniversary celebrations. It is described in heraldic terms as follows: "Sable a maple leaf Gules irradiated and charged with an open book Argent; And for a Crest: on a wreath Argent Sable and Gules a Phoenix Gules quilled and beaked Or issuing from flames proper; And for a Motto: Ours the Task Eternal; And for Supporters: on a grassy mount on either side a raven Sable beaked and membered or armed Gules."

The open book on the maple leaf signifies that Carleton University is in the nation's capital and that learning is open to all who wish to partake of it. The phoenix, the legendary eternal bird, symbolizes the renewing of learning from older foundations, in recognition of Henry Marshall Tory's role in the founding of the University when he was 78 years old. "Ours the Task Eternal" is taken from a Walt Whitman poem entitled "Pioneers" and ties in with the eternal quality of the phoenix.

And so, the Carleton University coat of arms symbolizes sound learning, good citizenship, and the highest hopes of humanity.

## *The Diploma*

The diploma the graduates receive at Convocation is the certificate of qualification which publishes the fact that the student has fulfilled all the requirements and completed the prescribed course of study for the degree. As the senior academic legislative body of the University, it is the Senate which has determined whether the requirements have been met. The signatures of both the Chancellor and the President of the University appear on the diploma: the Chancellor because of his role in conferring the degree, and the President who, as Chair of Senate, certifies that Senate has enacted the required motion to award the degree. The Seal of the University is affixed to the diploma as a mark of authentication.

## *Academic Dress*

The academic dress of Carleton University results from a compromise between that found in the ancient foundations of Britain and Canada and the American Intercollegiate Code. All three hoods—bachelor's, master's, and doctor's—are of the simple or Oxford shape. The bachelor's hood is made of black stuff; the master's and doctor's are made of black silk and all are lined with silver silk with two chevrons, one of red and one of black. From bachelor's to doctor's, the hoods are progressively longer and opened to show more and more of the lining.

The velvet border of the hoods denotes the degrees granted according to the following colour combinations: applied science is orange with a black cord sewn slightly in from the lower border; architecture is cerise; architectural studies is cerise with a black cord sewn slightly in from the lower border; arts is white; commerce is camel brown; computer science is royal blue; engineering is orange; humanities is white with a red cord sewn slightly in from the lower border; industrial design is dark cardinal; international business is camel brown with a red cord sewn slightly in from the lower border; journalism is white with a black cord sewn slightly in from the lower border; management studies and business administration is camel brown with a black cord sewn slightly in from the lower border; mathematics is hunter green; music is venetian pink; public administration is peacock blue; public affairs and policy management is teal with a gold cord sewn slightly in from the lower border; science is golden yellow; social work is cream; and doctor of philosophy is purple.

The master's and bachelor's gowns, to be worn with the above hoods, are of full length, made of black stuff, with a gathered yoke behind, and long open-fronted sleeves. The doctoral gown is of full-style, made of fine royal blue cloth with facings of light blue silk, with a full gathered yoke behind, and closed sleeves with an opening at the elbows.

The two shades of blue in the doctoral gown are those of the United Nations, and are meant to recognize the University's long-standing interest, from its earliest years, in international affairs and issues. The colours were chosen when the University awarded its first honorary degree, in 1954, to the second Secretary-General of the United Nations, the late Dag Hammarskjöld. The tradition of awarding honorary degrees to Secretaries-General of the United Nations has continued since that time.

The gown of the honorary Doctor of Laws, Literature, Music, Science, Engineering, Architecture or Fine Arts is a full robe with bell-shaped sleeves. It is made of fine royal blue cloth with facings and sleeves in light blue silk. The hood is made of the same material as the gown, has the same lining as that for the degrees granted by examination, and is bordered with dark mauve for the degree of Doctor of Laws; vibrant blue for the degree of Doctor of Literature; venetian pink for the degree of Doctor of Music; red for the degree of Doctor of Science; orange for the degree of Doctor of Engineering; cerise for the degree of Doctor of Architecture; and dark cardinal for the degree of Doctor of Fine Arts.

## The Honourable Gareth Evans

**The Honourable Gareth Evans,**  
A.O., Q.C., B.A., LL.B., LL.D., M.A.

Gareth Evans will be awarded the degree of Doctor of Laws, *honoris causa*, at the 10:00 a.m. Convocation ceremony on Sunday, November 13, "in recognition of his outstanding contribution in the service of international peace and security."

Since January 2000, Gareth Evans has been President and Chief Executive of the Brussels-based International Crisis Group (ICG), an independent multinational non-governmental organization that works to prevent and resolve deadly conflict. ICG is currently monitoring intense situations in the Sudan, Kosovo, Algeria, and Haiti, among other countries.

Before joining ICG, Evans was a member of the Australian Parliament for 21 years. He was one of Australia's longest serving Foreign Ministers, and is best known in international circles for his roles in helping to develop the United Nations peace plan for Cambodia and for bringing to a conclusion the international Chemical Weapons Convention. He also is noted for founding the Asia Pacific Economic Cooperation (APEC) forum and initiating the Canberra Commission on the Elimination of Nuclear Weapons.

Over the years, Evans has received numerous awards for his humanitarian work, including the Australian Humanist of the Year in 1990 and the ANZAC Peace Prize in 1994 for his work on Cambodia. He was awarded the Dr. Jean Mayer Global Citizenship Award from Tufts University in 2003, and received the Chilean Order of Merit (Grand Cross) in 1999 primarily for his work in initiating APEC. He was made an Officer of the Order of Australia in 2001.

Evans has written or edited eight books and has published more than 80 chapters in books and journal articles on foreign relations, politics, human rights and legal reform.

## The Honourable Madam Justice Rosalie Abella

**The Honourable Madam Justice  
Rosalie Silberman Abella,  
B.A., LL.B.**

The Honourable Madam Justice Rosalie Silberman Abella will be awarded the degree of Doctor of Laws, *honoris causa*, at the 2:00 p.m. Convocation ceremony on Sunday, November 13, "in recognition of her outstanding contribution to social and legal policy and human rights."

Abella was born in a displaced persons camp in Stuttgart, Germany, after World War II, and immigrated to Canada with her family in 1950. She received a Bachelor of Laws from the University of Toronto in 1970 and was called to the Ontario Bar in 1972. In 1976, she was appointed to the Ontario Family Court, becoming the youngest judge in Canadian history. She became the first Jewish woman to sit on the Canadian Supreme Court bench when she was appointed to the Supreme Court of Canada in August 2004.

Abella, who is considered one of Canada's foremost experts in human rights law, has also been a chair of the Ontario Labour Relations Board and the Ontario Law Reform Commission, and a board member of the Ontario Human Rights Commission. She served on the Canadian Judicial Council's Inquiry on Donald Marshall Jr.

Abella was the author of the 1984 federal Royal Commission on Equality in Employment, in which she coined the term employment equity. She is the author of more than 70 legal articles and author or co-editor of four books on a variety of legal topics. She is a frequent lecturer, both in Canada and internationally.

Abella has also been active in Canadian cultural life. She has been a judge of the Giller Prize, and has studied classical piano at the Royal Conservatory of Music.

*O Canada! Our home and native land!  
True patriot love in all thy sons command.  
With glowing hearts we see thee rise,  
The True North strong and free!  
From far and wide, O Canada,  
We stand on guard for thee.  
God keep our land glorious and free!  
O Canada, we stand on guard for thee.  
O Canada, we stand on guard for thee.*

*O Canada! Terre de nos aïeux,  
Ton front est ceint de fleurons glorieux.  
Car ton bras sait porter l'épée,  
Il sait porter la croix.  
Ton histoire est une épopée,  
Des plus brillants exploits.  
Et ta valeur, de foi trempée,  
Protégera nos foyers et nos droits.  
Protégera nos foyers et nos droits.*
